

*"Bill created a world-class website for my company. I get compliments everywhere I go, and from my peers especially. It has helped me elevate my business substantially and now I feel that we are operating at a much higher level. He has my full endorsement!"*

Dr. Corey Hunter - CEO,  
Ainsworth Institute of Pain Management

## Considering a Website Upgrade?

### Trust Hewson Group to get it done

We believe that a great website is the heart and soul of every small business, and our sites are designed and built to handle the responsibility. If you're a business owner or manager of a small business, then our web site development approach is the perfect fit for your needs.

Hewson Group will get your website on top of its game quickly and inexpensively. Plus, your site will look great on all screens and devices.

## Our Website Development Difference

TOOLS

Expertise with the most up to date software available today allows us to create great work that's rock solid, in less time and for less expense than typical.

TENURE

We have 20+ years experience building world-class websites, and we know exactly how to apply design best-practices and get your site up and running quickly.

TRUSTWORTHINESS

Seasoned after leading the world's largest website development efforts, we bring the same level of care and expertise to each of our SMB clients.

TEAM

On-demand partnerships with award-winning technologists and designers allow us to maximize the quality of any sized project as needed.

## About Us

Hewson Group is a digital marketing solutions company. We develop affordable best-in-class solutions for small businesses looking for big business expertise.

Based in Easton, CT, our clients include medical practices, media companies, restaurants, building contractors, financial holding companies and consumer products makers.
